Homecoming

The Homecoming Dance this year took place in the commons on October 30, 1978. The band that performed was Jonathon. Students attended the dance ready to boogie to the music.

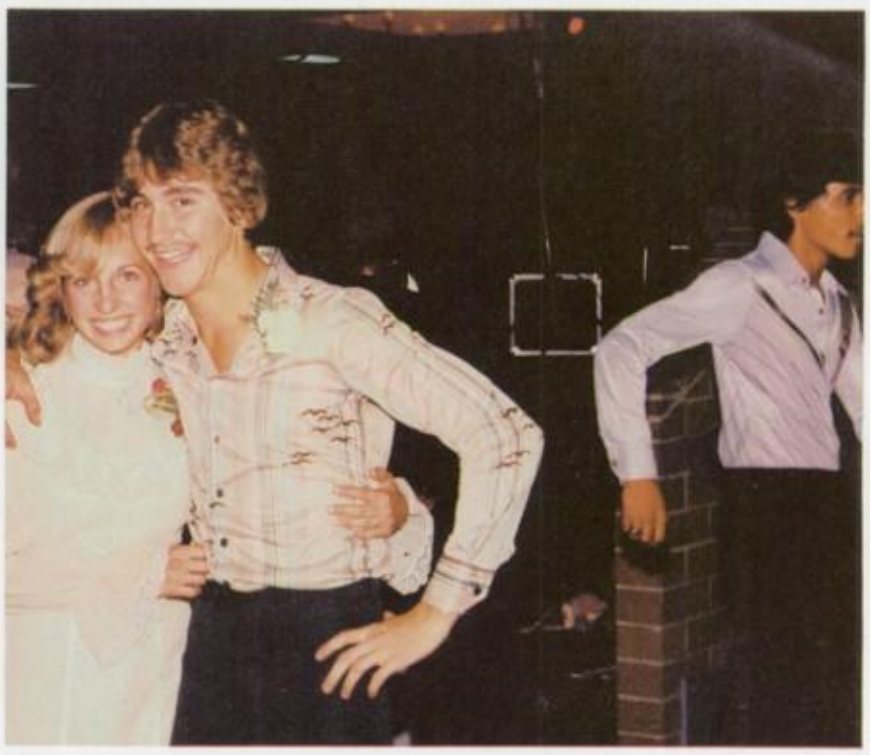
Tradition Prevails



Cheerleaders Score

The Junior-Senior Girls' Powder Puff Football game was unusual this year with the Powder Puff Cheerleaders scoring rather than the football players. When the girls showed their talent at playing football, they found it takes more than power to win. The boys who cheered made up for the fact that the game ended in a scoreless tie. The cheerleaders had the audience so wound up that no one even noticed the lack of scoring on the field. It was good, "clean" fun, especially after the game, when the juniors thought they could smear the seniors not knowing the seniors had the same idea. The field and the girls looked like a snow storm had hit, courtesy of whipping cream.

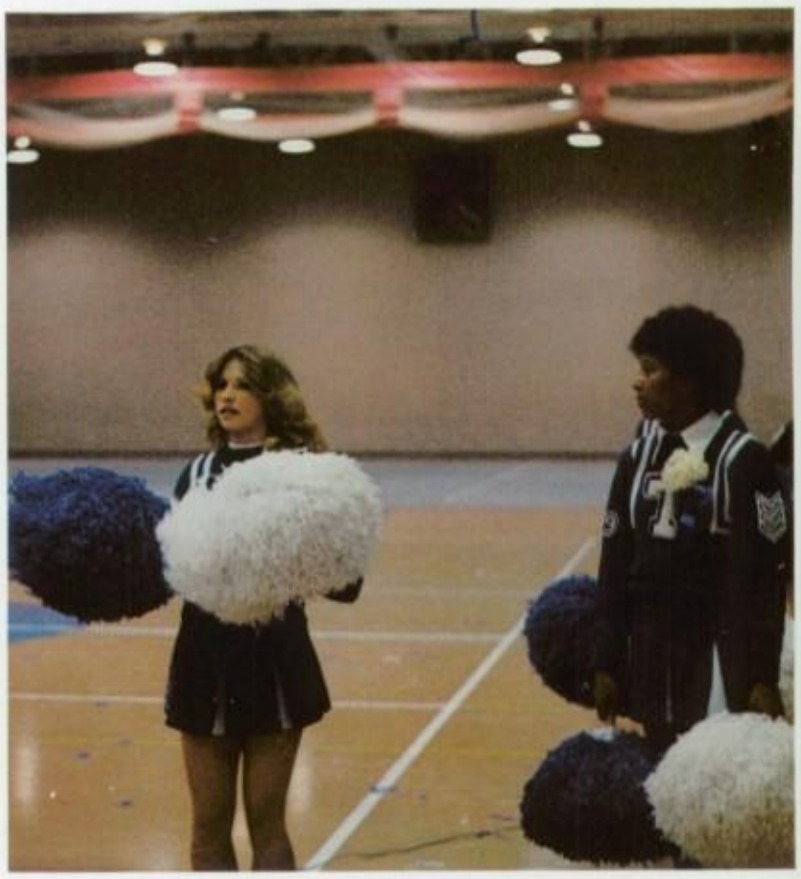
Pep Assembly,



Only The Beginning . . . .

Trojan pride sparked enthusiasm at the Homecoming Pep Assembly. The assembly began by having the band parade through the halls playing the school song and the fight song. Students gathered behind the band to follow them down to the fieldhouse. Preceding introduction of the football players, cheerleaders led the cheers to promote spirit. Class competition yells, in which the football players took charge, ended the assembly.

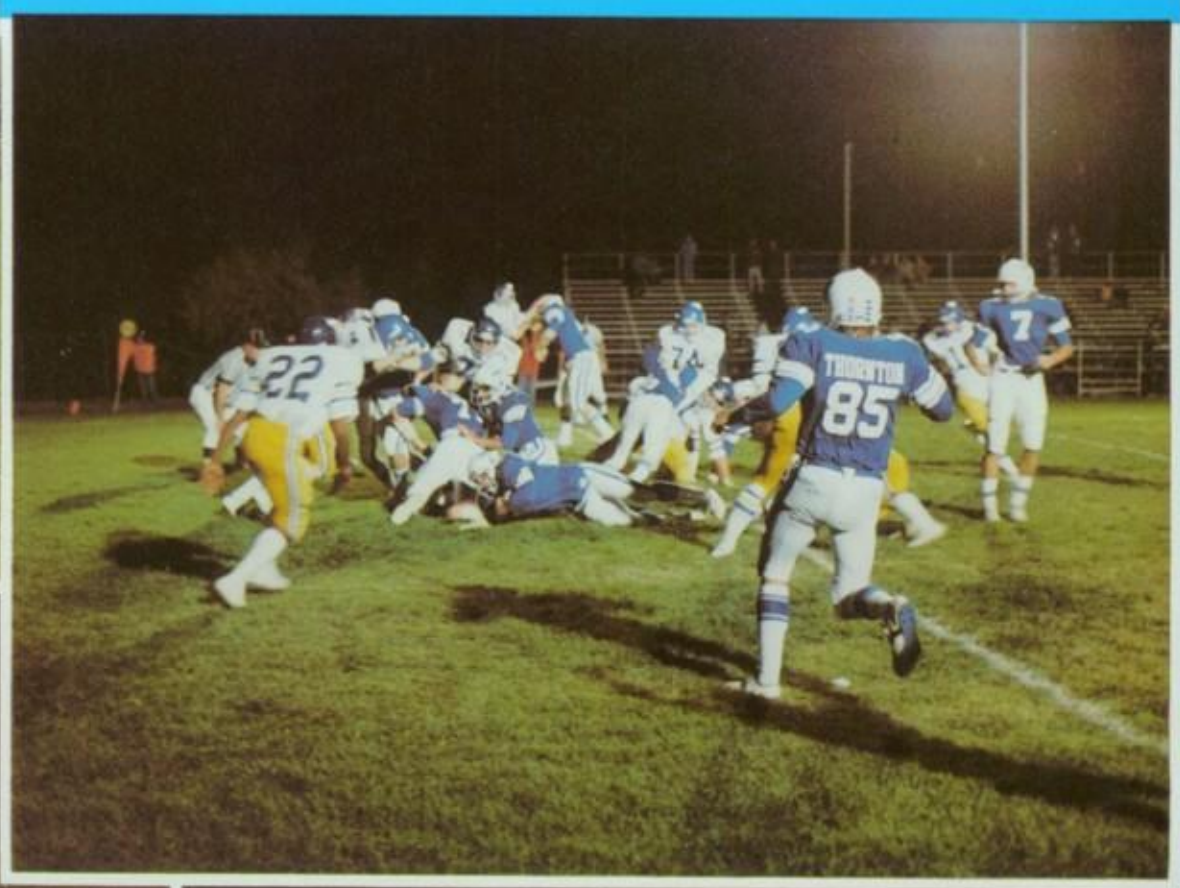
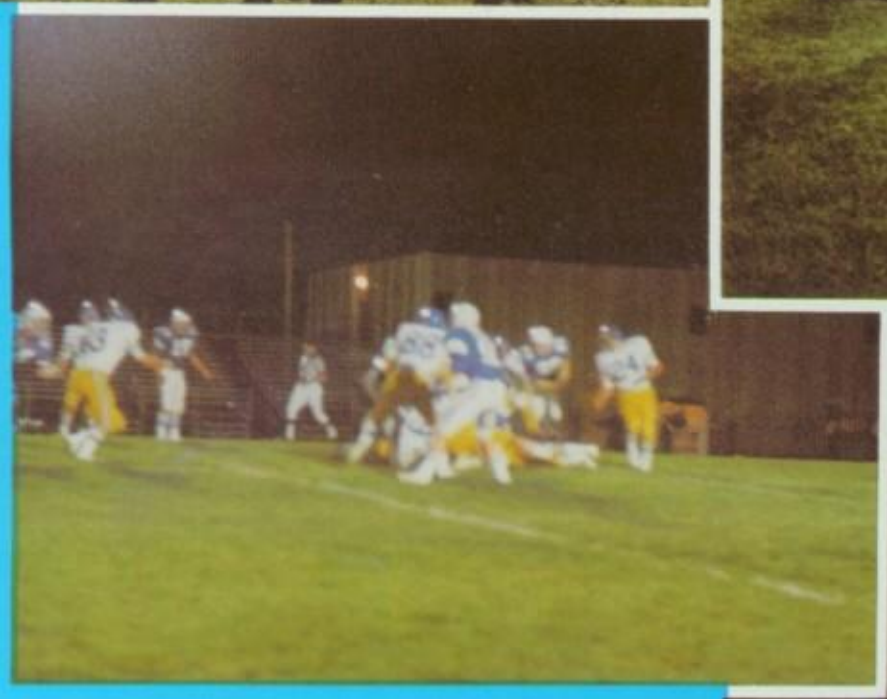
It's How You Played The





Tension mounted throughout the Homecoming football game. Although the Trojans were not victorious, outstanding efforts were achieved. Thornton led 19-15 at the end of the third quarter, but the final score read 36-19 in favor of Mullen.

The 1978 Homecoming week was highlighted by the traditional parade. This year's floats showed many additional hours of hard work as the floats were constructed at students' homes. The VICA float was honored with the first place trophy. HERO'S float took second, followed by DECA, third.

The Lighter Side

Homecoming week started off with Slave Day. Members of Student Congress volunteered to sell themselves. The auction was held on Sept. 25th. Slaves were put to the mercy of their masters on the following day. Slaves were expected to carry books, clean lockers, and do other tasks throughout the day.

Hat and tie day was held on Sept. 26th. Many students wore crazy hats and colorful ties. It was a different type of a day and added a light touch to the Homecoming festivities.

Upper Left: Slave, David Pizzuti, cleans lint off of Pam Barrs pants. Upper Right: Jim Brugger and Linda Stone join in the fun of Hat and Tie Day. Left: Girls show school spirit with assorted hats and ties.

Loveliest of trees, the season must end. It blooms along the challenging mountain side. Soon its leaves will burnish with autumn winds and in time its branches will glitter with snow. So a life that dares must meet each challenge to the end, and when it comes say, "Welcome Friend.!"

Nancy Moore

Janis Bobb

As education makes a swing back to the basics, the IMC has changed to compliment the needs within the community and the school. The accommodations have been changed to make the IMC easier to study in. This year students are discouraged from walking through the IMC and disturbing students who are had at work.

Home Economics Experiences

The biggest challenge to the Home Economics department in the 70's was going from a two-person department with four courses to a totally different curriculum containing thirteen courses taught by five teachers. The Home EC teachers met their challenge by spending evenings and summer hours working to revise the curriculum. This year and next year will be devoted to testing out the new curriculum.

Language Arts — Challenging Path

Language Arts encompasses the broadest academic area in the curriculum; consequently this department is served by the greatest number of teachers. The focal point for the department's advance into the next decade includes a restructuring of the departmental offerings to serve the school and community better. It is the aim of the Language Arts Department to increase each student's ability to understand and use the language both practically and artfully down the pathway of knowledge to understanding.

LEFT - Manager Renee Carvalho expands her efforst in helping out the Thornton Football Team this year.
BELOW - Captain Kyle Herrman and Game Captain Marty Standish wait for the toss of the coin to begin the game against the Regis Raiders. Thornton won the contest out scoring Regis 7 - 0.

The Thornton Football Team did very well this year compiling a six win three loss record. The Sophomore team did even better this year not losing a game showing great promise for next year.

Football is just one example of the coming of age of the winning tradition at THS. One reason for this is the dedication of the coaches and athletes alike who strive for success.

The Thornton Girls' Volleyball team did an incredible job this year with a 17 and 2 record. This is the first time in Thornton High School history that any volleyball team has done such a fantastic job. They successfully met and beat Adams City for the American Division title. They defeated Brighton High for the Skyline League title. They then went on to defeat Lincoln High to qualify for the state tournament, thus bringing home three trophies. The girls next went on to crush Montrose to take fourth place in the state tournament.

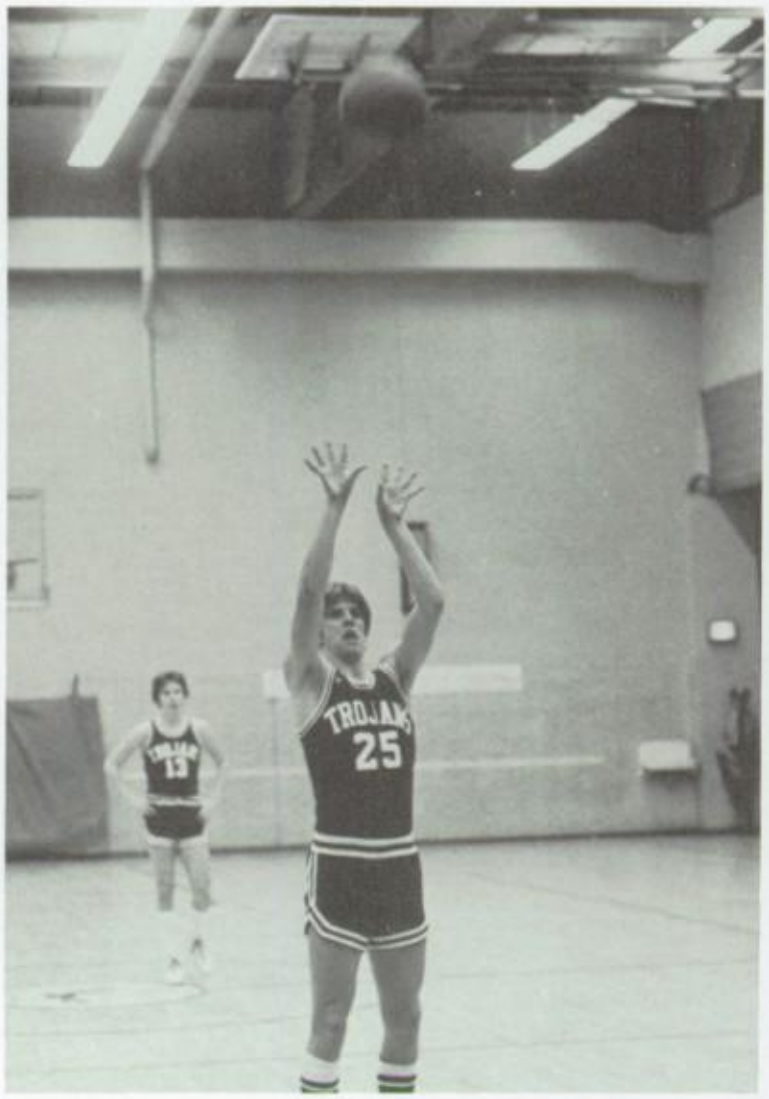
Cagers Wind Up



The 1978-1979 Boys' Varsity Basketball Squad, coached by Mr. Boyd Pickens, had a disappointing record of 4-14, but they were a very competitive team. With only senior letterman, Dave Schell, and junior letterman, Dick Jones, returning from the previous year, the lack of experience resulted in many close losses. Eleven of the fourteen losses were decided by seven points or less. Despite the poor record, the scrappy Trojan cagers continued to improve, and, with the efforts of seniors Tim Kubik, Glenn Boychuk, Mike Keefe, and juniors, Mike Whalen, Lyle Wells, and Orlando Vigil, they beat Mullen and lost to #1 ranked Regis by two points, late in the season.

The Junior Varsity team, coached by Mr. Mike Henson, showed the same lack of experience with sophomores Dan Fiala, Kevin Kinnear, Chris Scaggs, and George Montour starting at the end of the year. The Sophomore team, coached by Mr. Stu Ritscher, started slow but finished strongly in the tournament at the close of the season.

In boys' track senior, Greg Chambless, helped out in the running events. Senior Bob Post was strong in the long distance events. Coming off his successful season last year, Danny Franz continued doing well in pole vaulting. Throwing the shot and discus this year was Saul Pliskonis. The girls' track team had a chance to achieve high honors this year with speedsters like Kathy Weiss, Shelly Depperschmidt, Debbie Colin, and Denise Abeyta. In the distance runs senior, Karen Thompson was an asset for the Trojans.

Distributive Education is a vocational program involving three separate phases - the classroom, on-the-job training, and the club itself. DECA is a social club comprised of D.E. students. Every year, DECA has its State Leadership Conference at the Broadmoor in Colorado Springs, where qualifiers compete for state honors in various areas of marketing. This year Thornton qualified twelve students at District and took twenty to the State Conference in March.

All Around

HERO Club had a busy and exciting year. One of the first activities HERO was involved in was the selling of Mum corsages for Homecoming and the decorating of a float for the Homecoming Parade. HERO also participated in the organization of the school canned food drive at Christmas. The main challenge of the 78-79 school year has been the club's work with the elderly at Castle Gardens. Some of the club members visited the nursing home on a weekly basis and found they really enjoy the friendships they built.

Varsity prepares to compete in State Competition.

The cheerleaders nervously watch the tough competition.

It's more than just butterflies in their stomachs.

This year Thornton's Varsity Cheerleading squad competed in two major cheerleading competitions, one at Cinderella City and State competition in Colorado Springs. The squad received excellent scores and enjoyed both experiences.

Future For Drama Productions

Cast and Crew of fall play rest on laurels: (top row) Doug DelForge, Wayne Bridge, Tom Pickles, Shari Bethel, Gail Williams; (bottom row) Reynold Wilden, Greg Ellison, Michelle Spreyer, Debbie Keller, and Cindy Kite.

Thornton High School theatre's production of the play "Rainmaker" was presented December 7 and 8. Many people helped make the "Rainmaker" an enjoyable play. The director, Marta Hedde, gave the cast an euthusiastic approach to their parts. The technical aspects of the production were outstanding. Laura Earnshaw created an authentic looking set with the help of Tom Pickles and Shari Bethel. Debbie Keller was in charge of costumes and Gail Williams captured the mood with lighting. The success of the play, however, belongs not just to one person but the cooperation of a well-trained group of students who made the whole evening pleasant with their dedication to Drama.

Deserved Bow

Thornton High School's production of "Oklahoma," March 15-17, once again brought well-deserved applause to cast, crew, and directors. Many hours of devotion, hard work, and planning were put in by students and faculty members to make the show a critical and financial success. All connected with this production should take a well-deserved bow!

Student Life Lives

In Many Forms

The year has ended.

Though many have fallen or
stumbled on the journey upward,

Trojan Pride stood through the
victories as well as the defeats,

Leaving behind memories to last
forever.

Say goodbye to old friends and
Hello to new ones;

Keep in mind the times shared with
friends,
and treasure all the challenges met
within these walls — within these
pages.

Look now on the other side of the
mountain
top, and see yet another one,

And seek anew the challenges to
come.
